## UPDATE SESSIONS

# Work and residence permits

in the difficult environment of politics and economics

Are you informed in detail about

- the Agreement on the Free Movement of Persons and its additional protocols?
- the significance and possible impacts of the popular initiative aimed at stopping mass immigration?
- the consequences of quota reductions for EU- and Non-EU-citizens?
- what will be the impact of the Brexit?
- the impact of the stronger Swiss Franc on minimum salaries and on the applications for work permits?

Ask your questions exclusively to our Immigration team, consisting of lawyers and work permit specialists – we will give you qualified answers.

**The Update Session is free and lasts one hour.**

Reserve your preferred date:
